

Snug as a Mug on a Rug Fussy Cutting Templates

INSTRUCTIONS

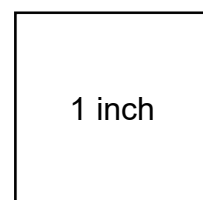

- Cut out template along outside line.
- Cut out white triangles from template, indicated by 1 and 2.
- Fold white triangles 3 and 4 along fold lines so they can be folded out to see the fussy cut block area. Fold triangles back down to see where center of block is.
- Mark 6-1/2" square with a fabric marker using template as a guide. For the most accurate cutting, cut out square using an acrylic quilting ruler following the line you drew as a guide.
